19. The Learned Counsel for the Applicant in IA/196/(CHE)/2022 has averred that during the 21st CoC meeting held on 03.01.2022 it was informed that due to the spread of Covid-19 in the Head Quarters of the sole financial creditor in the Committee of Creditors located at Mumbai and the consequent restrictions imposed by the government bodies, time was required to finalize the voting on the submitted Resolution Plan and passed a resolution with 100% voting authorizing the applicant to file the application seeking a further exclusion of lockdown period and extension of the CIRP Period till 05.02.2022. That the applicant has filed an application vide IA/19/2022 in pursuance of the resolution passed during the 21st CoC Meeting for extension of the CIRP period till 05.02.2022 enabling the CoC to decide upon the revised resolution plan and the said application is pending before this Adjudicating Authority.

20. The Learned Counsel for the Applicant in IA/196/(CHE)/2022 has averred that during the 22nd CoC meeting held on 03.02.2022 has resolved to file an application for further extension of the CIRP period till 15.02.2022 by which the voting can be conducted on the revised Resolution Plan submitted by the PRA. The Applicant on 06.02.2022 has filed an application vide IA/141/2022 for extending the CIRP Period till 15.02.2022. It was further averred that the applicant had conducted the voting on the resolution plan on 03.02.2022 in the 22nd CoC Meeting whereby the CoC has

voted for rejection of the revised Resolution Plan submitted by the PRA.

21. The Learned Counsel for the Applicant in IA/196/(CHE)/2022 has averred that in pursuance of the rejection of the Prospective Resolution Plan, the COC consisting of the sole financial creditor of the Corporate Debtor during the 23rd CoC Meeting held on 08.02.2022 has passed a resolution for liquidating the Corporate Debtor due to rejection of the Resolution Plan and appoint one Ms. J. Karthiga (Insolvency Professional) as the liquidator for the Corporate Debtor who has consented to act liquidator. The consent form, Authorisation for Assignment in Form B, and the certificate of registration of the said Ms. J. Karthiga is enclosed as Annexure 39 along with application filed.

22. It was further averred that during the 23rd CoC meeting discussions were made regarding estimate of the amount required to meet liquidation costs as Rs. 3.20 crore under Regulation 39B(1) of the IBBI (Insolvency Resolution Process of Corporate Persons) Regulations, 2016 and as the estimate of the value of the Liquid assets itself computes to Rs. 4.36 crore approximately, and hence there is no requirement for the contribution plan under Regulation 39B(3). Furthermore, the COC has recommended under Regulation 39C(1) of the IBBI (Insolvency Resolution Process of Corporate Persons) Regulations, 2016, that the

Liquidator may first explore sale of the Corporate Debtor as a going concern under regulation 32(e) or sale of the business of the Corporate Debtor as a going concern under clause 32(f) of the IBBI (Liquidation Process) Regulations, 2016 & under 39C(2) has identified and grouped the assets and liabilities as All as one Lot primarily and if the same does not yield in sale, then they may be sold in separate lots.

23. The Applicant further submits that Corporate Debtor's business is a going concern with about 300 employees who are currently working with a turnover of approximately Rs. 3 crore per month and having good quality assets and receivables. It has a good order book with a good growth potential and viable to be sold as a going concern. The Compliance Certificate of the Applicant in Form H, as required is enclosed as Annexure 41.

24. Hence, the applicant has filed the present application praying liquidation of the Corporate Debtor as per the decision of the Committee of Creditors. The CoC has unanimously decided to liquidate the Corporate Debtor and appoint one Ms. J. Karthiga as the Liquidator. The operative part of the Resolution reads as follows: -

"Resolved that the Corporate Debtor - Leo Primecomp Private Limited be and is hereby decided to be liquidated Further Resolved that Mr. Mathur Sabapathy Viswanathan, Resolution professional be and is hereby authorised to file an

application before the Adjudicating authority to liquidate, M/s. Leo Primecomp private Limited - Corporate Debtor under Section 33(2) of the Insolvency and Bankruptcy Code, 2016 **Further Resolved** that Ms. J. Karthiga (Registration No. IBBI/IPA-001/1P-P00752/2017-2018/11284) be and is hereby recommended to be appointed as the liquidator of the Corporate Debtor - Leo Primecomp Private Limited to oversee the liquidation process."

Further Resolved that a sum upto Rs. 3,20,00,000/- (Rupees Three Crores Twenty Lakhs Only) be and is hereby approved as the estimated expenditure to be incurred in connection with the liquidation of the Corporate Debtor and the Resolution Professional be authorized to mention this amount in the application made to the Hon'ble NCLT pursuant to Section 33(2) of the Insolvency and Bankruptcy Code, 2016. Further Resolved that the liquidator be directed to first explore the possibility of sale of the Corporate Debtor as a going concern pursuant to Section 39C of the Insolvency and Bankruptcy Board of India (Insolvency Resolution Process for Corporate Persons) Regulations, 2016

Further Resolved that The Professional Fees payable to the Liquidator be and is hereby approved to be fixed at Rs. 1,00,000/- per month till the period if any, used for compromise or arrangement under Section 230 of Companies Act 2013 and thereafter fee as per sub-clause (b) of clause 2 of regulation 4 of IBBI (Liquidation Process) regulations 2016."

25. During the course of hearing of the liquidation application in IA/196/(CHE)/2022 an Intervening Petition was filed in Inv. P/3/(CHE)/2022 by the Unsuccessful Resolution Applicant viz., V Karthikayan and one another seeking intervention of the Unsuccessful Resolution Applicant in IA/196/(CHE)/2022 to file their objections and to direct the Resolution Professional to place

the Proposed Resolution Plan for Consideration before the CoC. The Unsuccessful Resolution Applicant had placed on record the few Judgments appraising that every possible effort should be made to revive the Corporate Debtor and make it a going concern. A Counter to the Intervention Application was filed by the sole CoC member. The same is extracted hereunder:

"3. I further submit that the Resolution plan submitted by the applicant and Mr.B. Athithyan not considered by COC on the following grounds:

- a) Plan value to the financial creditor is Rs.57.45 crores as against average liquidation value and fair value of Rs.109.69 Crores and Rs.133.03 Crores respectively.*
- b) Technical and Financial study was conducted by SPP & Co, Chartered Accountants and as per the report, plan is not financially viable and it is highly contingent on following two parameters. The report states that overall success of proposed business plan is highly contingent on following two parameters.*
 - Ability to raise debt lower cost for Plan settlement and working capital (Extreme Risk)*
 - Ability to increase business volume and maintain 20%+EBITDA (High Risk for profitability)*
- c) RA Consortium proposes that an amount of Rs.58crores will be facilitated by M/s. Metis Family Office Services Private Limited from number of individuals. The sources do not appear to be firm as RA Consortium have shown combined net worth of Rs.11.25 crores only. Further, as per Resolution Plan, they claim to have tied up for Rs.25 crores only and balance Rs.33 crores would be arranged in a year time by M/s. Metis Family Office Services Private Limited from number of individuals which is again uncertain.*

4. I further submit that the RP had placed the resolution plan in the last COC meeting held on 03.02.2022 for voting and last date of submission of plan to NCLT for getting approval fixed on 05.02,2022. The aforesaid resolution plan placed for voting on 03.02.2022 and the same was not considered by COC since the overall success of proposed business plan is highly contingent besides unacceptable various terms and conditions imposed by the resolution applicant. The COC has desired to reject the resolution plan on the following counts.

- a) Plan value to financial creditor is Rs.57.45 crores (Total plan value Rs.60 crores) against average liquidation value of Rs.109.69 Crores and average fair value Rs.133.03 Crores..
- b) Both RAs are sons of the promoters of the Corporate Debtor (CD). RAs have shown last 3-4years' experience working with previous management as their experience. As such RAs do not have any prior experience in CD's business.
- c) Resolution Plan proposes to hand over the CD to RAs on NCLT approval date i.e., even before receipt of any upfront payment under resolution plan.
- d) As proposed that an amount of Rs.58 crores will be facilitated by Metis Family Office Services Private Limited from number of individuals. The sources do not appear to be firm as RAs have shown combined net worth of Rs.11.25 crores only.
- e) Further, as per Resolution Plan, they claim to have tied up for Rs.25 crores only and balance Rs.33 crores would be arranged in a year time by Mets Family Office Services Private Limited from number of individuals, which is again uncertain.
- f) Currently company has cash balance of around Rs. 4.14 Crores and during negotiation on resolution plan value, financial creditor advised As to propose cash balance in company as on NCLT plan approval date to financial creditor, but they

are not inclined to offer the said amount to Financial Creditor.

g) SBI's share in liquidation value is Rs.109,69 crores and by assenting the resolution plan, SBI would be getting Rs.57.45 crores(NPV Rs. 54.90 Cores), which is 2.37% of average liquidation value. Considering depreciation and other cost (Liquidation cost is estimated at 2%) associated with the liquidation, NPV under liquidation scenario (Rs.80.93 Crores) is better than the NPV under resolution plan.

h) As the average liquidation value is higher than the amount to be received under resolution plan and in case CD goes into liquidation, sale of assets would fetch better value for assets.

5. I vehemently deny the statement made in Para No.9 that the resolution plan amount of Rs.60 Crores would be better than if the CD goes into liquidation. As stated supra, since the plan is not technically and financially viable, financial creditor has rejected the same."

26. At this Juncture, It is pertinent to mention that in the case of K. Sashidhar , Company Appeal (AT) (Insolvency) No. 274 & 291 of 2020 18 of 25 the Hon'ble Supreme Court has clearly laid down the law that upon receipt of rejected Resolution Plan the Adjudicating Authority is not expected to do anything more, but is obliged to initiate liquidation process under Section 33(1) of the I&B Code. The legislature has not endowed the Adjudicating Authority with the jurisdiction or authority to evaluate the commercial decision of the CoC. It is further held that NCLT or NCLAT has no jurisdiction to reverse to commercial wisdom of the Committee of Creditors.

27. It also appears that the Resolution Plan is not feasible and viable. Consequent to which, the CoC has proposed for liquidation of the Corporate Debtor and on voting the same was passed unanimously.

28. Based on the above discussion, we are of the considered opinion that the Intervening petition sans merit ***hence dismissed no order as to costs.***

29. Under the said Circumstances, **Ms. J. KARTHIGA, Reg: IBBI/IPA-001/IP-P00752/2017-2018/11284 (email-karthigasri@Hotmail.com)** is appointed as the Liquidator of the Corporate Debtor to carry out the liquidation process subject to the following terms of the directions.

- a) The Liquidator shall strictly act in accordance with the provisions of IBC, 2016 and the attendant Rules and Regulations including Insolvency and Bankruptcy (Liquidation Process) Regulations, 2017 as amended upto date enjoined upon her.
- b) The Liquidator shall issue the public announcement that the Corporate Debtor is in liquidation. In relation to officers/ employees and workers of the Corporate Debtor, taking into consideration Section 33(7) of IBC, 2016, this order shall be deemed to be a notice of discharge.
- c) The Liquidator shall investigate the financial affairs of the Corporate Debtor particularly, in relation to preferential transactions/ undervalued transactions and

such other like transactions including fraudulent preferences and file suitable application before this Adjudicating Authority.

- d) The Registry is directed to communicate this order to the Registrar of Companies, Chennai and to the Insolvency and Bankruptcy Board of India;
- e) In terms of section 178 of the Income Tax Act, 1961, the Liquidator shall give necessary intimation to the Income Tax Department. In relation to other fiscal and regulatory authorities which govern the Corporate Debtor, the Liquidator shall also duly intimate about the order of liquidation.
- f) The order of Moratorium passed under Section 14 of the Insolvency and Bankruptcy Code, 2016 shall cease to have its effect and that a fresh Moratorium under section 33(5) of the Insolvency and Bankruptcy Code shall commence.
- g) The Liquidator is directed to proceed with the process of liquidation in a manner laid down in Chapter III of Part II of the Insolvency and Bankruptcy Code, 2016.
- h) The Liquidator is directed to investigate the financial affairs of the Corporate Debtor in terms of the provisions of Section – 35(1) of IBC, 2016 read with relevant rules and regulations and also file its response for disposal of any pending Company Applications during the process of liquidation.
- i) The Liquidator shall submit a Preliminary report to this Tribunal within 75 (seventy-five) days from the liquidation commencement date as per regulation 13 of the Insolvency and Bankruptcy (Liquidation Process)

Regulations, 2016. Further such other or further report as are required to be filed under the relevant Regulations, in addition, shall also be duly filed by him with this Adjudicating Authority.

- j) Copy of this order be sent to the Financial creditors, Corporate Debtor and the Liquidator for taking necessary steps and for extending the necessary co-operation in relation to the Liquidation process of the Corporate Debtor, viz., company-in-liquidation.

30. Accordingly, IA/196/(Che)/2022 in IBA/578/2019 stands **disposed off** with the aforesaid terms.
